1.   
**DB25 Male**  
 External SCSI connector on Apple computers (except Powerbooks). Also used on some PC SCSI controller cards.

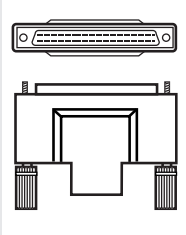

2.   
**Centronics 50 Male**  
 External cable connector on many Legacy SCSI devices.

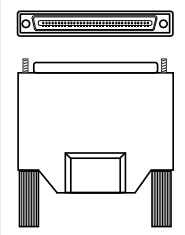

3.   
**Centronics 50 Female**  
 External cable connector on many Legacy SCSI devices.

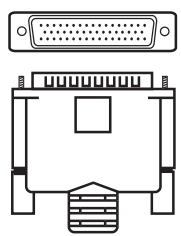

4.   
**HDI-30 Male**  
 (Powerbook) External SCSI connector on Apple Powerbook laptops.

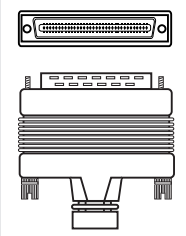

5.   
**HD DB50 w/thumb screws**  
 External SCSI connector for SCSI applications.

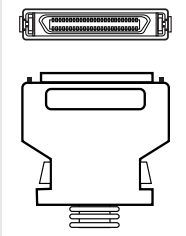

6.   
**HD DB50 Male**  
 External cable connector for SCSI peripherals and controllers.

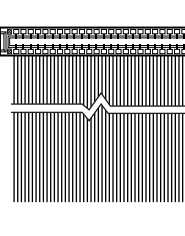

7.   
**HD DB68 Male**  
 External cable connector for SCSI peripherals and controllers.

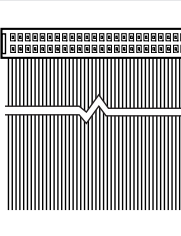

8.   
**VHDCI .8mm**  
 External cable connector for Ultra-2 and RAID controllers.

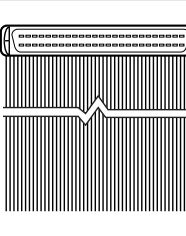

9.   
**DB50 Male**  
 External SCSI connector for SCSI applications on SUN Microsystems workstations.

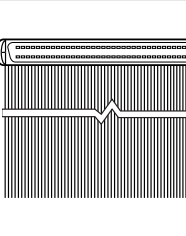

10.   
**.050 Centronics 68 Male**  
 External SCSI connector for applications with IBM workstations.

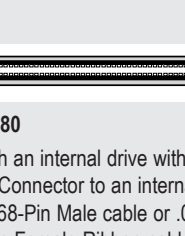

11.   
**.050 Centronics 50 Male**  
 Mini-Centronics, external cable connector for SCSI controllers and peripherals.

12.   
**IDC 50 Position Socket**  
 (Header) Internal cable connector for SCSI controllers and peripherals.

13.   
**IDC 50 Position Socket**  
 (Card Edge) Internal cable connector for SCSI controllers and peripherals.

14.   
**.050 50 Pin Male**  
 (.025 Ribbon Style Connector) Internal cable connector for controllers and peripherals.

15.   
**IDC 50 Position Socket**  
 (Header) Internal cable connector for SCSI controllers and peripherals.

16.   
**SCA 80**  
 Attach an internal drive with a SCA Connector to an internal .050 68-Pin Male cable or .050 50-Pin Female Ribbon cable.  
 For use with SCA Adapter
